or e-mail harlanmi@mhcgm.org

The Susan McLane Memory Wellness Center

brings together experts and resources from
The Mental Health Center of Greater Manchester and
Easter Seals NH to diagnose and treat memory disorders.

Susan McLane was a tireless advocate for human services
and other issues during her 25 years in the NH legislature. Susan's last cause
was facing her own Alzheimer's disease with dignity and grace. The work of
this program is proudly being dedicated to her memory.
